THE AWARENESS CENTRE WHO WE ARE

“

"Talking therapy has changed my life, helping me much more than I thought it could.

I would encourage anyone who is considering counselling to go for it." L.B

THE AWARENESS CENTRE (TAC) WAS ESTABLISHED IN 2005 AND HAS A TEAM OF MORE THAN 350 THERAPISTS OFFERING CONFIDENTIAL COUNSELLING, PSYCHOTHERAPY AND PSYCHOLOGY ON A SHORT-TERM AND OPEN-ENDED BASIS TO SUPPORT THE MENTAL HEALTH AND EMOTIONAL WELLBEING OF INDIVIDUALS, COUPLES AND FAMILIES.

All TAC's counsellors, psychotherapists and psychologists either work from The Awareness Centre branches in Clapham and Tooting, or from other consulting rooms throughout London, accessed through the TAC Directory of associate therapists.

Our therapists provide face-to-face, telephone or online sessions. We also offer low-cost and NHS counselling services.

THE AWARENESS CENTRE WORKING IN PARTNERSHIP

THE AWARENESS CENTRE RUNS SUCCESSFUL PARTNERSHIPS WITH THE SOUTH LONDON AND MAUDSLEY NHS FOUNDATION TRUST (SLAM) TO PROVIDE COUNSELLING TO PATIENTS REGISTERED AT GP SURGERIES IN LAMBETH, AND WITH THE SOUTH WEST LONDON AND ST GEORGE'S MENTAL HEALTH NHS TRUST (SWLSTG) TO PROVIDE COUNSELLING TO PATIENTS REGISTERED AT GP SURGERIES IN WANDSWORTH AND SUTTON.

TAC provides thousands of counselling sessions every year to help more people access psychological therapy in Lambeth, Wandsworth and Sutton. We regularly achieve strong recovery rates for patients, and we ensure there are short waiting times for sessions.

We are looking for new opportunities to partner with other organisations to create a tailor-made service to suit clinical need. We can work with you to offer counselling sessions in-house, or within one of our centres or consulting rooms throughout London.

THE AWARENESS CENTRE

HOW WE'RE DEVELOPING

THESE ARE EXCITING TIMES FOR THE AWARENESS CENTRE AS WE DEVELOP AND EXPAND OUR SERVICE IN NEW DIRECTIONS

2018

TAC's Tooting Centre opened its doors in January 2018 – and we're looking to establish more centres across London.

2019

The TAC Training School opened in 2019 offering certificate and diploma courses for people looking to train as counsellors, as well as a range of continuing professional development workshops for therapists looking to broaden their skills and knowledge.

2020

The TAC Directory launches in 2021, giving clients access to a network of counsellors, psychotherapists, psychologists and sex & relationships therapists throughout the UK.

As we grow even bigger, we'll be offering lots more opportunities for therapists in private practice and for trainee therapists looking for a placement.

If you'd like to partner with TAC to develop a new project, or if you'd like to discuss opportunities for the future, then get in touch by emailing appointments@theawarenesscentre.com or calling 020 8673 4545.
